

SOMETHINGFEST.

Queensland's digital, innovation and technology festival | 24 to 28 October, 2022

SOMETHING
DIGITAL

SOMETHING *Tech.*

SOMETHING DIGITAL

1. Roundtables

Designed as half day sessions, the Something Digital roundtables will bring industry together with Government and NFP's to amplify solutions to sticky social problems.

2. Main Conference

Core to Something Digital is our world class program, focused on the very latest in digital innovation trends.

Spread over 2 days and 2 stages, the high level themes include (based on 2021):

- People, data & ethics
- The 2021 Techlash
- The Future of Everything
- Digitising sustainability
- QLD's 10 year innovation journey to the Olympics
- Nurturing your people
- Building a responsible future
- Digital strategies marketers' dream of
- The business of innovation

3. Masterclasses

A dedicated suite of masterclasses will allow attendees to deep dive into a selection of digital innovation topics. All masterclasses run for 40 minutes and have a distinct 'how to' flavour.

4. Collab Zone

Structured activities to help bring attendees together and inspire those serendipitous connections. Think speed networking, office hours and walk'n'talk.

5. Networking Drinks

A chance for attendees of the main conference to come together and unwind over a relaxed drink.

6. Partner Brekkie

The morning brings together some of the key people who help make Something Digital possible, whilst offering an intimate networking opportunity for those strengthening QLD's digital innovation ecosystem.

7. Open Studios

Giving local Brisbane businesses the opportunity to throw open their doors to the wider community, showcasing their projects, services and digital aptitude. Run as short, sharp and punchy sessions.... We call these events 'Open Studios.'

8. Something School

Run in partnership with BOP industries, the Something School will give high school students from across Brisbane the opportunity to join us for an immersive and inspirational day focused on all things digital innovation.

SOMETHING FEST. NETWORKING DRINKS

Strategically placed in the middle of the Something Fest. week, we will be inviting participants from all activations to come together for one huge evening!

SOMETHING TECH

1. Investor Matchmaking

Tech Startups/ Scaleups that are capital raising have the opportunity to be matched with investors.

2. Industry and Tech Showcases

Over 2 days we will host a series of Showcases on the main stage where we will hear from both industry experts and Tech Startups/Scaleups on 2022's hot topics in the tech industry.

Areas of Technology that will be covered:

- AI/ML
- ClimateTech
- Cyber
- Ethics
- Future of Cities
- Metaverse

3. Proptech BNE.

Proptech BNE. will be delivering a half-day Founders Conference for the Australian Proptech economy. Attendees will hear from some of the countries leading proptech founders along with panel discussions addressing international growth opportunities & strategic investment.

The day will conclude with an exclusive Proptech Founders networking session and drinks in one of Brisbane's most iconic venues.

4. Tradeshows

Throughout both days, up to 120 Tech Startups/Scaleups, from all over Queensland, will have the opportunity to come and demonstrate their innovation Tech to a room full of industry, corporates and investors. Areas of Technology covered over the two days:

- Ag/Impact Tech
- Deep Tech
- Fin/Insure Tech
- Med/Health Tech
- PropTech
- TradeTech

5. Startup Catalyst Walking Mission

This is an opportunity for delegates to have a front row seat to learn about some of the amazing success stories that have come from the ecosystem in Queensland. Delegates will have the opportunity to visit the offices and meet the founders/team members from some of the most successful Tech scaleups based in Queensland.

6. Networking Roundtable Lunch

The Roundtable Lunch will see Founders, Investors and Corporates come together and meet other people from within the ecosystem. An opportunity for Founders to grow their network and their business.

7. Community Coffee

Each morning we will bring everyone together for a chance to network and have a coffee before the daily program commences.

8. RiverPitch

RiverPitch is a way to bring together a showcase of Technology that QLD are creating to solve real world problems and a platform for collaboration. RiverPitch will see up to 10 Founders pitch to a room full of investors and the wider ecosystem in hope of making connections and gaining investment.
